GIFT OF  
MARY ALICE PENUEL

In this 1938 edition of the *Entre Nous*, we have taken our analogy from Shakespeare's seven ages of man. In doing so, we have taken a theme counted old in years but young in appeal and appropriateness. Selecting the analogy for any yearbook is a problem, since being human, it is hard for all of us to be pleased and in agreement on any one selection. But, hoping for the best and "the greatest good to the greatest number," we consign this book to you, the students of Howard College. In following this analogy, the book is divided into seven parts or sections beginning with Act One, Alma Mater and the other six acts, the classes, athletics, features, organizations, activities, and advertisements following in that order. In connection with the division pages an innovation new to this college has been utilized this year. This is the "cutback" page used at each section beginning. Also each section head is printed in four colors which gives some degree of attractiveness to the makeup of the book. Any annual has certain limitations: degree of originality, size (that is, number of pages), covers, printing and engraving details and equipment with which to work. The *Entre Nous* is no exception in meeting these limitations. Within our limit we feel that we have done a fairly decent, if not complete, job of this book. We hope you are pleased with this reflection of student life.

Professor Louis R. Lohr

THE DE

For many years Professor of Economics at Howard College and lately Treasurer of the College also, Professor Louis R. Lohr has done much to maintain the progress and well being of the institution. In an official or business capacity and the classroom itself, Professor Lohr has always sought to accomplish as much as possible and with a minimum of show and ceremony. One of the first to arrive at school in the morning and of the last to leave in the afternoon, Professor Lohr makes diligent use of a full day at his work. Whether in conference with one student or a delegation of business men, he treats both with the same impartiality and listens equally attentive to each. Capable, unobtrusive and quiet, Professor Lohr is respected by student and colleague alike. Thus we take pleasure in dedicating this, the 1938 Edition of the *Entre Nous*, to Professor Louis R. Lohr, a gentleman.

# SYNOPSIS

All the world's a stage,  
And all the men and women merely players;  
They have their exits and their entrances;  
And one man in his time plays many parts,  
His acts being seven ages. At first the infant,  
Mewling and puking in the nurse's arms.  
And then the whining school-boy, with his satchel

And shining morning face, creeping like a snail  
Unwillingly to school. And then the lover,  
Sighing like a furnace, with a woeful ballad  
Made to his mistress' eyebrow. Then a soldier,  
Full of strange oaths and bearded like a pard,  
Jealous in honor, sudden and quick in quarrel,  
Seeking the bubble reputation

TO

Even in the cannon's mouth. And then the justice,  
In fair round belly with good capon lined,  
With eyes severe and beard of formal cut,  
Full of wise saws and modern instances;  
And so he plays his part. The sixth age shifts  
Into the lean and slipper'd pantaloon,  
With spectacle on nose and pouch on side,

His youthful hose, well saved, a world too wide  
For his shrunk shank; and his big manly voice,  
Turning again toward childish treble, pipes  
And whistles in his sound. Last scene of all,  
That ends this strange eventful history,  
Is second childishness and mere oblivion,  
Sans teeth, sans eyes, sans taste, sans everything."

Through whose mouth Shakespeare spoke  
thusly what we have elsewhere modernized.

"Mewling and puking in the nurse's arms"  
as he of the unstable lance would have it,  
—but he wanted to be vulgar, I don't.  
There was no such experiences in my  
babyhood for I was never coddled or  
kissed and pulled over by politicians.  
There was nothing except for me to work  
my way through this tough age from the  
kick-off; here, a gigolo at a baby show;  
there, mending broken rattles—always in  
search of an odd job for an odd (boiled)  
babe.

# DR. THOMAS V. NEAL

## *President of Howard*

As President of Howard College, Dr. Thomas V. Neal has striven to give the college a more desirable place in the sun from an educational standpoint. He has attempted to bolster the personnel as well as the physical equipment of the college. He has succeeded very well in his difficult task when it is considered that most of his building program took place in the depression years. The Pharmacy Department is an outstanding example of the progress he has made in doing things to advance the college. Students from all over the country come here to take courses in Pharmacy alone. He handles the dual office of executive and educator with the same ease of manner. Whether

on the football field, in his office, or making a formal address, Dr. Neal's sense of humor is always present to make the best of any situation. A native of the state and himself a graduate of the institution, Dr. Neal is peculiarly fitted to cope with the needs of the college. He has made many friendships and other contacts for the college locally and far away. Dr. Neal is very approachable and is willing to give consideration and thought to any problems confronting students in which he may be able to assist. As the ranking executive of Howard College, may he continue to use his pleasant personality in the interest of the college.

# DR. PERCY P. BURNS

## *Dean of Men*

Without Dean Percy P. Burns, Howard simply wouldn't be Howard. Dean Burns' whole life has been an integral part of this college and his stabilizing influence on student life through the years has been of untold value. His name is a synonym for ethics and gentlemanly conduct. He leads by precept and example the life which he would like his students to follow. As Dean of the college, many troubles are brought to his door, and to his credit most of them are settled to the mutual satisfaction of the troubled student and the Dean himself. In addition, he is an expert diplomat. Contact with many different personalities gives the

Dean ample opportunity for pouring oil on troubled waters. No student would ordinarily think of leaving Howard without taking Dean Burns' course in Shakespeare, for that is almost as much an institution as the college itself. His English classes are usually crowded to capacity, despite the fact that they are far from being so-termed "snap" courses. As a formal speaker and lecturer or in extempore talks, Dean Burns excels. A heavy demand is made on his available time in fulfilling some of the many invitations he receives for speaking engagements about the city. As Dean of Men and gentleman, we salute you, sir!

# MRS. I. R. OBENCHAIN

## *Dean of Women*

In relating the fine qualities possessed by Mrs. I. R. Obenchain, Dean of Women, one is merely being in accord with opinions of all with whom she has come in contact. Her duties are probably emphasized, since it is said that young ladies are harder to cope with than young men. Whether this is true or not, Mrs. Obenchain's actions wouldn't indicate, for her manner is one of unending graciousness and charm. Co-eds by the dozens flock to her office for hearings on any problems that might be confronting them. Not only co-eds either, but as custodian of the social calendar, she straightens out the social affairs of many of the boys also. She might be called old-fashioned, if

you call a person old-fashioned who is the champion of etiquette and gracious manners. Mrs. Obenchain is certainly that. In her fourth year at Howard, Mrs. Obenchain has won many friends since her connection with the college. She carries her many duties of planning and supervisory work with ease. Any situation that would call for tact, resourcefulness, an ability to see things through to a conclusion, would find Mrs. Obenchain fitted for the occasion. She is a person whom all the students may call "friend," for she is that to all the student body and a helpful counselor besides. May she continue as a guiding spirit at Howard.

# THE CAMPUS LOVELY

## *View Looking East*

A sight of the campus in all its splendor is this view looking east directly across to Renfroe Hall. To the right of Renfroe Hall may be seen, peeping through the trees, the gleaming white columns of Riley Hall. It contains seven classrooms and six offices. Renfroe Hall is the boys' dormitory and edges the eastern boundary of the main campus. These two buildings, along with the Student Activity Building and Causey Gymnasium, both not

shown in the picture, comprise the East Group of the Howard campus. At the extreme right in the picture, with the benches circling around it, is the famous old Sherman Oak. This old oak is practically a legend around Howard College and almost everybody who knows anything about the college has heard of it. Certainly a nice place for meditation.

# THE CAMPUS LOVELY

## *Views of "Main"*

Main Building might be called the nucleus of all the Howard College buildings, not because the others encircle it, they don't; but rather because it is the center of all administrative and most of the student activity. Here are found such persons as the Registrar, the Deans, Treasurer, the President, the Personnel Director, and other controllers of the college and its operation. Here are found the classrooms of those pedagogues who teach the

"fundamentals." Such interesting things as Mathematics, English, History, Sociology and others are exposed to eager students. The lobby of Main is the most popular place on the campus. Here it is the idle, the curious and expectant come to gaze at the bulletin board between classes and to seek their mail in the student boxes. In fact, old Main has a standing rendezvous with all to come if they may and talk beside her walls.

He has been the Head of the History Department at Howard for over a decade, also writing several books on the Southwest during that time and lecturing in the college. • I. M. HOSTETTER. B.S., PH.D., Associate Professor of Mathematics and Mechanical Drawing. Dr. Hostetter received his degree from the University of Washington, where he specialized in Machine and Engineering Drawing. At Howard, in addition to his mathematics classes, he conducts a special class in Machine Drawing. He attended, for a year, the

Institute for Advanced Study at Princeton University. No degree or special credit is awarded there, being purely for the purpose its name implies. • DR. OLIVER SAROSI is a graduate of the University of Hungary and is an assistant in the Economics Department. • R. A. NEHLS, A.B., PH.B., B.ED., is Publicity Director and an Instructor in English. He received his A.B. from the School of Journalism of the University of Wisconsin; his PH.B. from Ripon College at Ripon, Wis., and his B.ED. degree from Wisconsin State Teachers College at Platteville, Wis. • Miss LOUISE FLETMEYER is Assistant Registrar of the College. She holds a B.S. from Purdue University.

# THE CAMPUS LOVELY

## *The Science Hall*

The most imposing building on the west side of the campus is the Science Hall. The important Pharmacy Department is housed in an addition to this structure which may be seen to the right in this picture. Besides the three-story Pharmacy addition, the classrooms and laboratories for the Departments of Physics, Biology, and Chemistry are also contained in this building. A small auditorium seating about one hundred people is on the

second floor. Here combined classes may hear lectures of more than ordinary interest, see moving pictures, slides and specimens in connection with their branch of study. On the first floor are the supply rooms and laboratories of the Physics and Chemistry Departments. The basement is given over for use as photographic darkrooms and storage in connection with the Physics Department.

# IN MEMORIAM

DR. L. O. DAWSON

Mere words are inadequate to express the sense of personal loss felt by every Howard student in the tragic passing of Dr. L. O. Dawson. No more worthy tribute could be given him than for every student to duplicate in their own lives, the life that Dr. Dawson led when he was with us.

"With shining morning face" — Wrong again, Bill (Shakespeare to you). To the nose it was known that it (and it alone) shone. Anyway, "unwillingly to school" with but one consolation; I had a home. What better excuse for home work? But that was not the question. To go, or not to go. That was the question everyday until I was thrown bodily out of school for knowing more than my teacher and the rest of the faculty including the janitor.

## *Alma Mater*

*Oh, Howard, Alma Mater true,  
I love thy glorious name,  
Deserving every honor due  
To an unsullied fame.  
I'll love thee through each fleeting breath  
For all that thou hast done,  
And in the agonies of death  
Be still thy loving son.*

*Oh, Alma Mater, dear, thy life  
A treasure is to me:  
Thou, Phoenix fair, through flames and strife,  
Hast shown thy right to be.  
Since poverty has made thee rich  
And struggle made thee strong,  
I view thee in thy self-made niche,  
And burst to filial song.*

*Oh, parent true, the future fair  
Must hold but good for thee,  
For hope's fruition waits thee there  
In blest reality.  
And sons like thine will make thee shine  
With glory all thine own,  
And bring to thy maternal shrine  
Not gifts of gold alone.*

ACT III

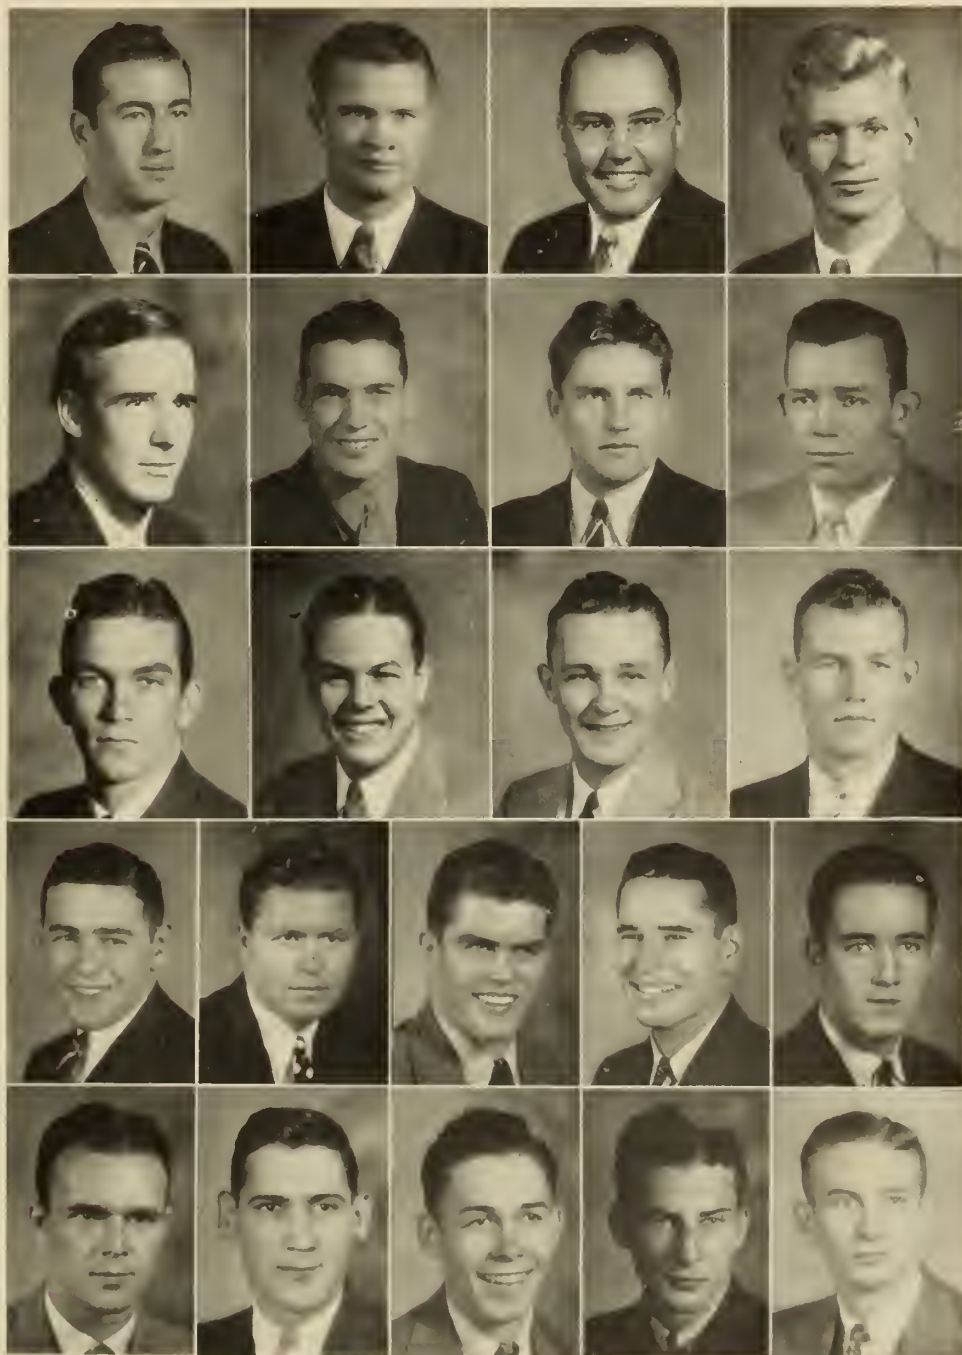

"With a ballad to his lady's eyebrow"—  
Wisely has the poet sung for at the rotten  
old age of thirteen I learned that real love  
was in its infancy; so I set out to be the  
greatest lover since Casonova—a fly-by-  
night, sleeping in abandoned church pews  
by day with (also) plenty of pigeons on the  
grass to dispatch by pigeon post my  
jingles to the maidens in my wake (what  
a host).

WM. H. BANCROFT

RAY DAVIS

Head football and basketball coach is William H. Bancroft, an alumnus of Howard College. After having starred in baseball, basketball and football for three years in college he took up coaching here immediately after graduation in 1928. He was freshman basketball coach for seven years and assistant football mentor. Upon the resignation of "Shorty" Probert in 1935 he was appointed head football coach and athletic director. Since then he has compiled an enviable record as a leader of the Baptist institution's athletic aggregations.

One of "Coach Bill's" first moves after he became athletic director was to appoint one of the best line coaches in the South as his assistant. Coach Raymond Davis, better known as "Coach Ray," is also an alumnus of Howard where he played football as one of the best centers in the history of the East Side college. Since his advent at Howard the college has boasted some of the strongest forewall combinations ever to dig cleats

into the soil out on Berry Field. "Coach Ray" has the most effective of teaching tactics. He does not merely tell the boys how to handle a situation. He gets in the line position and shows them how, and all the football players respect his prowess.

In his three years at Howard Coach Bancroft has brought two Dixie Conference championships and narrowly missed bringing the crown to the Baptist school for the third consecutive year.

In his first year at Howard "Coach Bill" had very little material with which to work, but as the season progressed and the boys gained experience they developed winning ways. Howard did not lose a single conference game in 1935. Their only loss of the year was a non-conference defeat at the hands of Mississippi State. Even the powerful Crimson Tide from Alabama could not humble the Bulldogs. In 1936, although losing one conference game and tying another, the Bulldogs again emerged at the head of the Dixie Conference

# and V A R S I T Y . .

field to retain their crown. Their lone conference defeat of the year came after the Baptist squad won the loop honors. Chattanooga won over the Bulldogs 6-0.

With thirteen lost to the squad through graduation Coaches Bancroft and Davis opened the 1937 season with slim hopes of remaining at the top of the Dixie Conference field. However, when the final conference scores were written into the books, it was found that the Bulldogs had been displaced by the slightest of margins. In the final game of the season the Baptist team was defeated by the Birmingham-Southern Panthers 21-20. The Panthers, who had played more conference games, took Dixie honors.

The three-year record in actual games won, lost and tied which Coach Bancroft has amassed shows that the Bulldogs have won 17, lost 7 and tied three games under his leadership. Of the seven games lost, five were to members of the powerful Southeastern Conference. This gives the Bulldogs the remarkable three-year Dixie Conference record of having lost only two games in three years. An enviable record for any coaching staff.

Richards, Goodman, Telford

#### CAPTAIN AND CO-CAPTAIN

Elected to lead the Bulldogs into battle for the 1937 season was N. E. Wolff of Crossville, Ala. Co-Capt. Herman Hodges of Hartford, Ala., was an able understudy in the leading duties.

### FIRST TEAM

Weight, speed and power were exhibited by the first-string eleven of the 1937 edition of the Howard College Bulldogs. Indicative of the respect with which the team was held was shown in the fact that three of the first-string Bulldogs were placed on the All-Dixie team by sports writers.

In the line the Baptists boasted drive, power and defensive strength. At the two terminal positions Herman Hodges and

Harold Hill held forth with offensive and defensive power. Two giants, Nathan Schenker and Talmadge Tuggle, held down the tackle posts. At the guards, Harry "Red" Anderson and Boyce Stone were great. Bill Ross was the starting center. The back-field lined up as follows: Joe Gann, quarterback; Clyde White, left halfback; J. T. Johnson, right halfback; and George Daugherty, fullback.

## SECOND TEAM

Howard's fine reserves were responsible in a large degree for the Bulldogs' 1937 success. The two end replacements were William "Wild Bill" Hammond, a 175-pound sophomore from Reform, Ala., and Willard Huckaby, 185-pound lad from Lafayette. Both were rugged on the defense and fair pass receivers. Huckaby's ruggedness influenced the coaches to shift him to tackle where he now plays. On the reserve tackle list are two boys who boast power and speed. Arthur "Preacher" Hayes, 186 pounds, from Greenville, and Charley Davis, 184 pounds, from Birmingham. Five men were ready for the coaches signal to replace one of the guards. They were: Jesse Colley, 185 pounds, from Troy; Kilburn Elrod, 175, from Douglas; Clyde Hubbard, 167, from Hartford; Hugh Smith, 163, from Birmingham; and J. L. Brock, 175, from

Gadsden. The Bulldogs were three deep at center with N. E. Wolff, 184, from Crossville, and Murphy Courington, 190, from Jasper, ready to step in and fill Big Bill Ross' shoes. In the backfield the Bulldogs were blessed with ample reserve material. Halfback replacements were hard, shifty runners on the offense and deadly tacklers on the defense. Harley Hopkins, 170, from Hueytown, was kept off the first team by injuries, but he filled in as a reserve. Bob McGraw, 142, Birmingham; Marvin Crawford, 160, Alexander City; and Otis Hardy, 147, Alexander City, filled out the halfback men. Bruce Little, 158 pounds, Piedmont and Charley Shinpock, 165 pounds, from Elkmont, fullbacks; and T. A. Windham, 168 pounds, from Hartford, and Jimmy Carter, 150 pounds, from Mobile, quarterbacks, completed the backfield.

# Senior

# M E M B E R S

When the final whistle sounded ending the annual Battle of the Marne out on Legion Field Thanksgiving Day, six men on the Bulldog squad doffed their football togs permanently. No longer will they listen to the stentorian voice of "Coach Ray" as he drives them through stiff calisthenics drill. No more long trips together. These six senior members of the football contingent have closed the door on one of the happiest phases of their lives. As the leader of the 1937 Bulldogs, gentlemen, I give you N. E. Wolff, captain. Wolff embodied the spirit of the entire team and was always willing to do anything for the advancement of the interests of the squad. His self-sacrificing character was largely responsible for the success of the 1937 team. He had all those characteristics of a good leader. Next our hats are off to Harold Hill. Hill was one of the finest ends ever to snare a pass out on Berry Field. His defensive prowess was never questioned and as the season progressed he proved to the skeptical that he was a fine pass receiver. In the Alabama game the Crimson Tide tried to circle his end for yardage, but found they could never get "Bunker" Hill out of the way. In the Southwestern game he demonstrated his pass catching ability when he took one of White's aerals and plunged over for

what proved to be the winning score. His efforts were not to go unrewarded as he was picked by sports writers as an All-Dixie end. He also received a card of merit from the All-American Board of Football. Step up, "Red," and take a bow. Harry "Red" Anderson was one of the most amiable chaps on the squad. He was well liked by both teammates and students. For two years he watched and gained experience as a member of the second team. In his last year he became one of the best linemen on the team. In the goal-line stand against Southwestern, he will long be remembered. The Lynx drove over his position four times and gained a scant three yards. J. T. Johnson was one of the best defensive halfbacks on the team as well as doing some fine leather lugging. His pass receiving also placed the Bulldogs in scoring position numerous times. The hard-luck boy of the squad, Charley Shimpock, was out for the team three years, but each year he fell a victim to injuries. He was hurt in the opening game this year, but served as a capable reserve when needed. Last but not least of the seniors is Jesse Colley. Plagued by injuries all his senior year, Colley was unable to see much service as a regular, but he served in a valuable capacity as a replacement.

# ... F O O T B A L L *at*

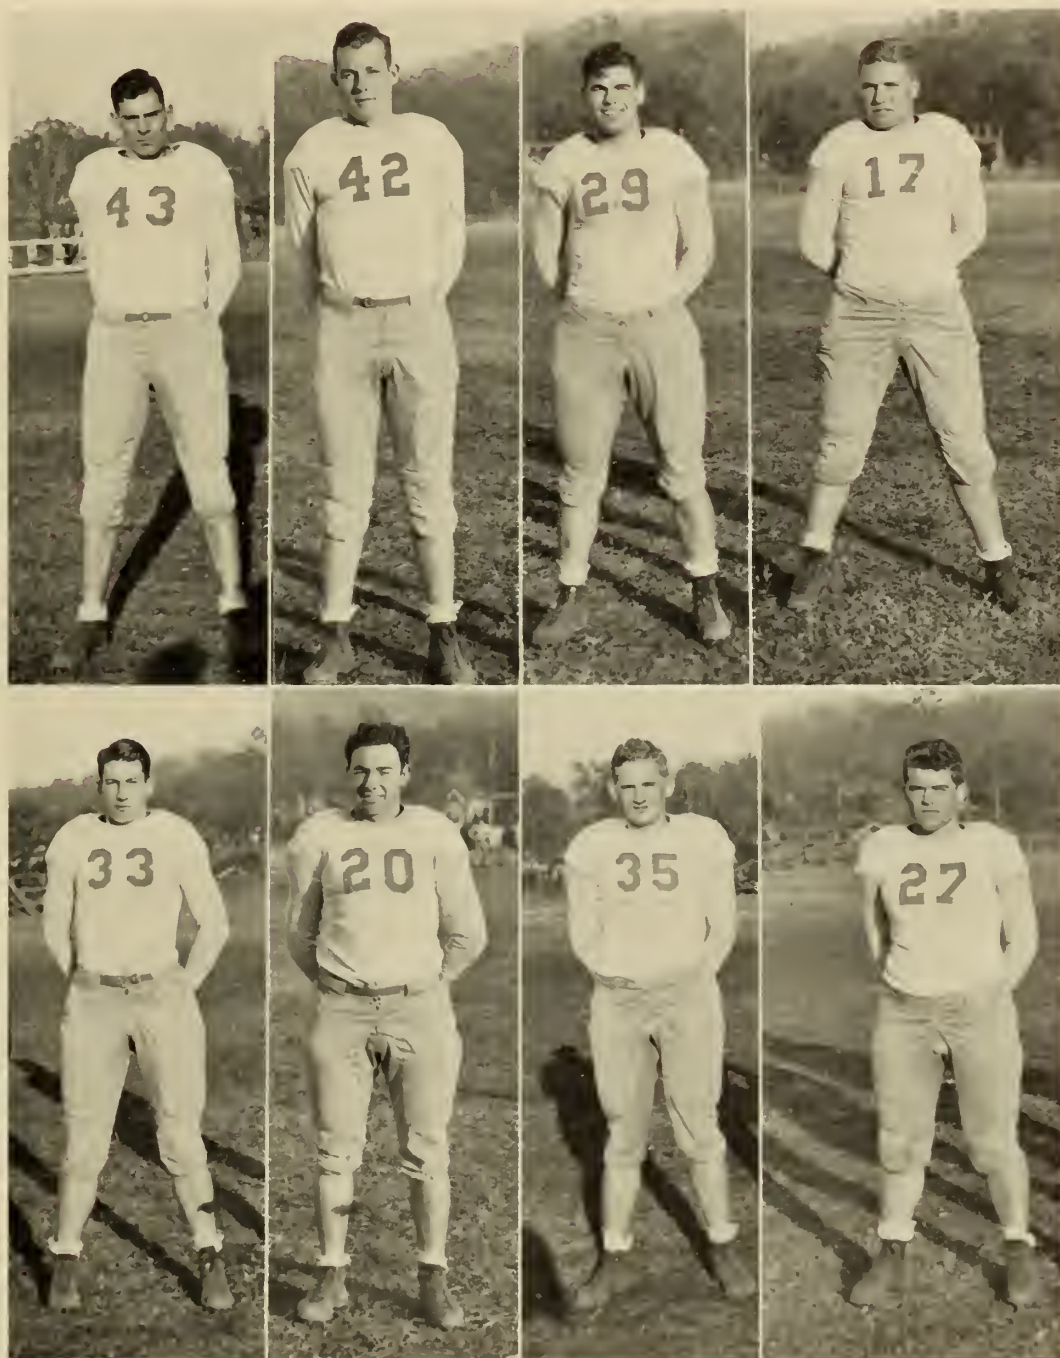

With the first two opening games of the 1937 schedule played against powers in the strong Southeastern Conference, the Bulldogs were off to a bad start. A large group of Howard College fans followed their favorite football team to the Capstone to watch the fifth Rose Bowl edition of the Alabama Crimson Tide overwhelm the Baptist eleven 41-0. The Bulldogs fought gamely throughout, but were overcome by superior power. The next Saturday found the Bulldogs again fighting vainly in a driving rain against a strong Mississippi State team in Starkville, Miss. Howard lost their second game of the season 38-0. In returning to Dixie Conference competition, the Bulldogs won the first of five straight games against the Mercer Bears, a dark horse in the league. In this game the coaches took the wraps off of a brilliant halfback in Clyde White who tossed the Bears into oblivion with his accurate passes. The Saturday after found the Baptists winning one of the most thrill-

ing games of the year over the Chattanooga Moccasins. In the last minute of play Marvin Crawford took White's pass over the goal line for a 6-0 victory. Spring Hill College in Mobile was the next victim of the soaring Bulldogs. The Howard team took the short jaunt down to Mobile and returned with the Badgers' scalp 14-0.

Crump Stadium in Memphis was the scene of the Baptists' most outstanding triumph of the season. Clyde White was on the tossing end of both of the Bulldog's touchdowns. Harold Hill, All-Dixie end, took the first one on the five-yard line and plunged over for the first score. Joe Gann converted the point after touchdown for what proved the margin of victory. Herman Hodges took another toss over the goal line to cinch the game 13-12. Going into the last game of the season needing only one game to win the Dixie Conference title for the third consecutive time, the Bulldogs were thwarted by the Birmingham-Southern Panthers 21-20.

Twenty-three men were awarded letters at the end of the year for their services on the gridiron. These letter-men comprise the best of the football talent on the Howard College campus. All the men who were awarded letters at the end of the season were given Crimson and Blue jackets.

Three ends received their letter. Herman Hodges, 175 pounds, from Hartford, was the regular left end during the season and was the most valuable pass receiver on the squad. His teammates elected him to lead the Bulldogs in 1938. Willard Huckaby, 180 pounds, from Lafayette, and

Harold Hill, 185 pounds, from Alabama City, were the other two ends to receive recognition. Hill was one of the best defensive men in the conference and was picked for the first All-Dixie team. Nathan Schenker, All-Dixie, and Talmadge Tuggle, Hueytown colossus, were the only two tackles to be awarded their letter. This is the second year that Schenker has been named to the mythical All-Dixie team. Five guards received their letters. Harry Anderson, 175 pounds, from Dothan; Boyce Stone, 184 pounds, from Albertville; Jesse Colley, 185 pounds, from Troy; Clyde Hub-

bard, 167, from Hartford, and Hugh Smith, 163 pounds, from Birmingham. These boys saw plenty of action during the year and were always in there driving. Two centers on the squad received their letters. Captain N. E. Wolff, 184 pounds, from Crossville, and Big Bill Ross, 170 pounds, from Roselle Park, N. J. When Norman Cooper graduated last June the coaches were at a loss to find a capable center to fill his shoes. Ross was the man selected and he did a splendid job all season. Eleven backfield men were in the line when the letters were given out. Harley Hopkins, 170 pounds,

from Hueytown; J. T. Johnson, 153 pounds, from Birmingham; Marvin Crawford, 160 pounds, from Alexander City; Clyde White, 157 pounds, from Hanceville, and Otis Hardy, 150 pounds, from Alexander City, were the halfbacks so honored. George Daugherty, 180, from Cleveland, Ohio; Bruce Little, 158 pounds, from Piedmont, and Charley Shinpock, 165 pounds, from Elkmont, were the fullbacks, and Jimmy Carter, 150 pounds, from Mobile; T. A. Windham, 168 pounds, from Hartford, and Joe Gann, 156, from Birmingham, were the quarterbacks.

### FRESHMAN COACHES

An important factor in any college grid machine is the freshman football team. This has been doubly true at Howard where the Freshmen serve as practice opponents for the varsity day after day in the daily scrimmage sessions before the scheduled games. The varsity was always assured of a good work-out when they went into battle against the proteges of Freshmen coaches Roy Fayet and Jim Stuart. Coach Jim and Roy were both Howard football stars during their undergraduate days. Both deserve much credit for the success of the Howard varsity team. Their diligence in seeing to it that the varsity was furnished with the highest type of opposition has been an important factor in shaping the Howard grid machines. As freshmen basketball mentor, Coach Jim has turned out some of the finest first-year quintets ever to represent the Baptist school.

### FRESHMAN ATHLETICS

Under the apt tutelage of Coaches Jim Stuart and Roy "Pooch" Fayet, the Howard College Bullpups had one of their most successful seasons on the gridiron. Five college games were played, with the first-year men winning three of them. In the opening game of the season the Bullpups took a jaunt down to the Capstone to do battle with the junior Crimson Tide. Here it was that they suffered the worst defeat of the year. There was too much power in the Alabama grid machine and the Frosh fell a victim to the Tiders, 26-0. In the second game of the year the Bullpups were also fighting against heavy odds as they went up against the powerful first-year Mississippi State

squad. However, the tenacious Bullpups fought the Maroons to a standstill for 59 minutes of the game. In the last minute of play as a direct result of a fumble, the Maroons drove through the line for the only score of the game to win 6-0. In coming back into their own class of competition, the Bullpups met and defeated a surprisingly strong first-year Moccasin team from the University of Chattanooga. The game was played on Berry Field and considered one of the most thrilling of the year. Howard came out on the long end of a 13-12 score as the result of a converted extra point. St. Bernard College of Cullman was the next victim of the high-flying Bullpups. The Frosh had

# BULLPUPS...

something of a field day as Kenneth Morgan, Chester Baker, Geroe Hodges and Elvin Manderson ran roughshod over the Bernard team to win by the score of 56-0. In their last game of the year the Bullpups gained considerable revenge on the Birmingham-Southern Panther Cubs as they topped off the season with a convincing 27-0 triumph. The Panther first-year men were convincingly humbled as the Bullpups turned on the power. The regular freshmen line composed of Auxford Watkins, left end; Irby Seigler, left tackle; Jack Moore, left guard; Gordon Golsen, center; Robert Simmons, right guard; Quentin McKee, right tackle; and Charles Douglas, right end, was charging the Southern backfield men with a vigor that was stopping them behind the line of scrimmage.

The freshmen basketball squad comprised an-

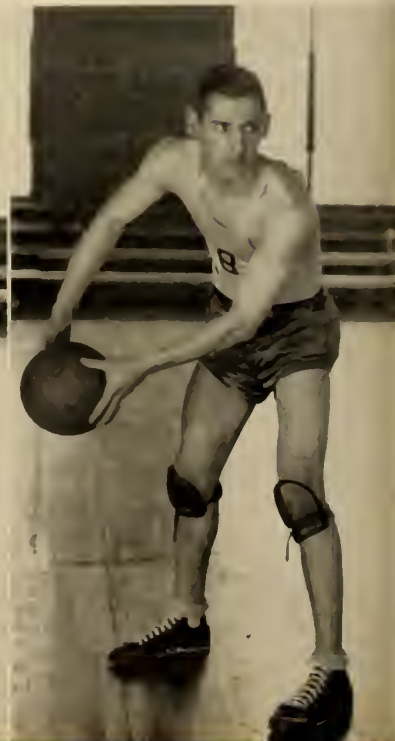

other winning aggregation on the campus. With Dennis Ingram and Kenneth Morgan playing forwards; Sam Golman and Eddie Welch playing guards, and John Bredeson playing center, the Bullpups were victorious tilts with a loss of only three games. Willard Collins, Rufus Drury, Chester Baker and William Heath were substitutes.

Howard College's basketball team opened the 1938 season against the world champion Celtics at the Birmingham City Auditorium. The game was well played, but the Bulldogs fell victim to the peerless wizardry of the Celtics. Following this opening loss to the world champions, the Bulldogs won eight

straight games which included wins over Birmingham-Southern and the Dixie Conference champions from Mississippi College. The total record for the season included 15 wins to 8 losses. Of the eight games lost two were to the Celtics. In the city collegiate basketball series, the Bulldogs again won the title. The first game between the Panthers and the Bulldogs took place at the B. A. C. where the Baptist quintet humb'ed their cross-town rivals 38-33. The Panthers won the next game on the Baptist home court 43-32, but the Bulldogs came back to win the next two tilts from the Methodists and clinch the city college title. In the local Big Five basketball conference the Bulldogs were gunning for their third consecutive crown. With the loss of only one game marked up against them they met the Y. M. H. A. team to end the season. However, the Jewish boys pulled an upset to win a close game over the tired

Bulldogs 32-31. This threw the race into a three-way tie between the Panthers, Bulldogs and Blues. In the playoff Howard eliminated the Y. M. H. A. outfit, but lost one of the closest games of the season to Southern, thereby failing to defend their two-year title. The tilt, which was played at the B. A. C., found the lead changing hands at least nine times during the game. With Howard Burks, flashy forward recovering from an ankle injury, the Bulldogs were considerably weakened in this game. Anyway, when the final whistle blew the Panthers were on the long end of the 34-33 score. March 3, 4, 5 the Bulldogs journeyed down to Mississippi College to take part in the Dixie Conference basketball tournament. Howard drew the Panthers for their first opponents.

They won rather handily from the Panthers 34-27 but the victory proved a costly one. Howard Burks, in attempting to guard the meteoric Eldridge Mote of the Panthers, came down on the side of his ankle and was removed from further play in the tournament. His loss was seriously felt in the next game which was played against the Millsaps team. After having beaten the Millsaps team earlier in the season, the Bulldogs failed to show here and dropped the contest 40-29. Members of the team included Brutus Baker, center; Howard Burks and James Gurley, forwards; Fred Turner and Dave Telford, guards. Ben Browdy, Leonard Burton and James White were in reserve. The Bulldogs were well represented in the first ten of the high scorers in the Big Five race.

Very few college games were on the Howard College baseball schedule for the 1938 campaign. In the opening games of the season Louisiana Polytechnic Institute was engaged out on Berry Field. Howard broke even these two tilts. The first game was won 8-2 with Brutus Baker, tall right-hander doing the pitching for the Baptist nine. However, the next game found the Bulldogs unable to get their eye on the ball as they fell victim to some fine pitching, 4-2. Most of the Howard College baseball games were scheduled with the strong Birmingham City League teams. In these games the Bulldogs were victorious in a majority of the tilts. The regular line-up for the

Bulldogs in most of the games was as follows: Harlow Cather, ss; Eddie Welch, 2b; Clyde White, rf; Leonard Burton, cf; Harley Hopkins, lf; Wayne Dowdy, 1b; Joe Gann, 3b; Elvin Manderson, c; with either Bruce Little, Brutus Baker, John Bredeson, Sam Golman, James White or Charles Bell doing the twirling. Other members of the squad include Waverley Watkins, catcher-outfielder; Howard Burks and W. C. Tidwell, utility players. In Eddie Welch and Harlow Cather, the Bulldogs had one of the finest double-play combinations in the city. Welch was also one of the leading hitters on the team.

The six most beautiful co-eds at Howard College were selected by a jury of five noted Hollywood personalities who are shown in the photograph below. Selected in the order named were Louise Ward, Nathalie Sanders, Margaret Lindon, Mary Emily Wishart, Corrie Anderson and Maxie Floyd. These six were selected from a group of twelve chosen at the annual Beauty Parade held last fall. The jury spent two hours in selecting the Howard Beauties so that just consideration might be given to all twelve.

Russell Patterson, internationally famous artist; Leroy Printz, Paramount dance director and authority on feminine beauty; George Burns, Gracie Allen and Betty Grable, prominent motion picture stars, judge the beauties.

Dear Mr. Dunham:

Enclosed you will find the pictures of the girls which you sent to us for judging, and a photograph of the board of judges in session. Also, there is a story on the selection.

By the time the pictures had arrived here, Mr. Walsh was ill and Mr. Penner was out of the city, but I am sure the judges that we were able to secure are not only equally satisfactory, but even more prominent.

I trust that this will help you out.

*There are five national sororities at Howard College, all of which play an important part in the social life of the institution. They are housed in their own buildings; trim, colonial style affairs, edging the campus. The five are Phi Mu, Alpha Delta Theta, Delta Zeta, Beta Sigma Omicron, and Alpha Delta Pi. The sororities have motives other than mere social gatherings for themselves, such, for example, as entertaining distinguished guests or bringing such to the campus as has been done several times, holding forums on pertinent subjects and assisting the Dean of Women.*

"And his voice turning again toward childish treble"—A bony faced portrait on the dining room wall; yet there was a rift of blue bird weather through a rent in rainy skies when the funny paper came. And it was bong, bong, bong, as my heart rang like a gong when the circus came to town. I'm going, going; I wish I were gone.

# THE ENTRE NOUS

## *Annual Publication*

THE ENTRE NOUS is the annual publication of Howard College. Essentially, its object is to portray the life and activities of the groups composing the unit known as "Howard College." To the greater or lesser degree that it does accomplish this is its success measured. In this issue we have endeavored to make it as representative as possible of all groups and members of the student body and faculty who co-operated with us. If some are missed, it is not necessarily our fault. However, we are aware of the shortcomings of the book and can only beg some condescension on your part. THE ENTRE NOUS has been an integral part of Howard College from the stand-

point of publications, and will probably continue to be the dominating periodical of the college group. The factors that make it the dominant publication is inherent in ourselves. We want something to look back upon as a record of our days in college. The college annual is usually looked at as the "record." We hope this annual has recorded enough material to be of interest many years from now. If it hasn't, we will deem it to have failed in the main objective of all annuals. But, enough of such "carrying on." If you get even a little bit of fun out of what we have done here, we shall be amply rewarded.

The Howard Crimson is the college weekly newspaper published every Thursday. This "Mirror of Campus Life" endeavors to be just that. The Crimson is purely a democratic publication; its pages being open to any contribution of any member of the college, either faculty or student. Each class is allowed the privilege of publishing one issue each year in addition. For the best of these class editions an award is given and this serves to interest potential journalists and those interested in newspaper work. The Crimson is in its twenty-third year of publication by the students of Howard College. May this integral part of the student life and activities of the college continue its important function.

## *Freshman Handbook*

*The Bull-Pup* is the freshman handbook of Howard College. Every year it is given out to freshmen at the beginning of the fall semester as a part of the orientation program for that particular group of students. The editor and the business manager are elected by the student body as for the other publications on the campus. *The Bull-Pup* is a small, concise, booklet of from fifty to a hundred pages, containing complete information about the college and the customs practiced by the institution. It is taken

as "gospel" by the freshmen and the significant title of the "Rat Bible" isn't exactly a misnomer. It contains all the rules and regulations pertaining to the student government and the qualifications necessary for running for any student office. All the faculty and the officers of the administration are listed as well as all societies, both honorary and fraternal, on the campus. In fact, the *Bull-Pup* has just about any information that might be sought as regards the college, its customs and its personnel.

# HYPATIA

Hypatia is recognized as the highest honor which may be conferred on young women at Howard College. Tap Day for Hypatia is the first Wednesday in May each year, when it calls to its membership those young women of the Junior Class who have the highest general combination of scholarship, character, leadership, and promise of future usefulness.

Those students who attain Hypatia are usually the acknowledged leaders in their fields. To gain this high honor, they must have proved their worthiness to be members by achievements in their first three years of college work. It represents a high honor which, like any other, has to be earned if worthwhile at all.

# TRIDENT

Trident is recognized as the highest honor that may be conferred on a young man at Howard College. As was the case with Hypatia, the members of Trident are tapped from those Juniors who have maintained a high scholarship average in all their work and who are eminent in campus life by reason of college activities and the esteem in which

they are held by faculty and students. The founders of Trident were aware that it would take more than ordinary ability to be active in the extra-curricular events of the college and, at the same time, maintain a high scholastic average. Its standards are high and those who attain it are eminently worthy of the honor.

FOSTERING sportsmanship and promoting a love of activity for its own sake are the two paramount purposes of the W. A. A. Membership in this active group is based upon participation in one major sport during the year. To obtain a letter in athletics, a member must earn 750 points in sports. The sports program and point system have been reorganized this year so that smaller groups can participate at any time. Counselors were

elected at the beginning of the year to promote the various activities by organizing groups to participate in such sports as badminton, hiking, skating, basketball, swimming, baseball and bicycling. The W. A. A. sponsored a district play day for high school girls of Walker and Jefferson counties during the fall. Members of the association acted as group leaders and referees for the games during the program.

ADS  
ACT VII

"Sans everything"—I could weep for the way life endures and the seeming long time it takes before one finally ages and dies. I'm boiled now. The pleasure I derive from living is negligent even to the point of non-resistance. I lived; and I lived for me alone. Now I die—alone. Had I only lived for others! The seven ages Bill wrote of in "As You Like It" are gone now. Where do we go from here? "Sans everything."
